

Code of Conduct

It is the right of every individual and group to have a peaceful and dignified existence, without being hindered by the behaviour, attitude or noise level of others.

In order that these things should happen, it is essential that every member of the school community is:

Considerate: *respecting everyone else as an individual, making sure that words and actions do not cause inconvenience or offence to anybody;*

Courteous: *being polite and helpful at all times;*

Co-operative: *being willing to work with others;*

Friendly: *being on good terms with others;*

Hardworking: *doing our best;*

Honest: *being truthful; respecting the property of other people;*

Trusting: *accepting that others genuinely want help;*

Responsible: *being reliable and responsible for our actions; behaving as a part of a community;*

What this means in practice is that we should all do the following:

Be Punctual: *avoid late arrival;*

Speak Considerately: *avoid shouting, swearing and offensive language;*

Be Ready For Lessons: *have the necessary materials;*

Clear Up: *after lessons and break;*

Move in an orderly way: *avoid running and use paths; hold doors open for other people;*

Negotiate: *if we know there might be a problem, go and talk to someone about it;*

Respect: *for authority*
