

Madhuvan Vatika **PUBLIC SCHOOL**

P R O S P E C T U S

My Prayer

Where the mind is without fear and the head is held high;
Where knowledge is free;
Where the world has not been broken up into fragments
by narrow domestic walls;
Where words come out from the depth of truth
Where tireless striving stretches its arms towards perfection;
Where the clear stream of reason has not lost its way
into the dreary desert sand of dead habit;
Where the mind is led forward by thee
into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake.

.... Rabindranath Tagore

Our Beginning

The great dream and vision of the founder was actualized in the form of 'Madhuvan Vatika Public School' as an answer to the need of the hour to impart quality education to the children of this locality. It is a sister concern of Sri Rama Krishna Educational & Charitable Trust. The founder's charism worked wonders on the motto that "To predict the future of a child is to create it". This has enabled the management to provide all facilities possible to impart best education to the children of this area to empower them to become useful instruments of the modern times with unparallel competence and unmatched humanness to serve the in various spheres of life. The school is co-educational in character and is affiliated to the CBSE New Delhi.

Aims & Objectives

Our aim is to provide quality education to the children deeply based on human values. We aim for the holistic development of children. It is a place of creative learning to make the children proactive. We empower the children to become enlightened citizens to serve the society with total dedication. We aim to stand unique in the crowd being a leading institute with special future in learning and teaching. We provide a family atmosphere over here with a healthy teacher student relationship which will help the children to be more realistic in life.

The inspiration of the school

OUR AIMS AND POLICY

We, at Madhuvan Vatika Public School, stand committed to impart quality Education for the holistic development of children and the realization of their potential to the maximum possible extent.

SMART TECHNOLOGY ENABLED CLASSROOMS

Our teachers use the new education technologies to teach the students. With its help the students learn through watching and listening the subjects with the video display of the contents of the syllabus called smart class. Most of the class rooms are equipped with this new educational technology. While watching the videos of contents of syllabus every student understand easily in a short period of time.

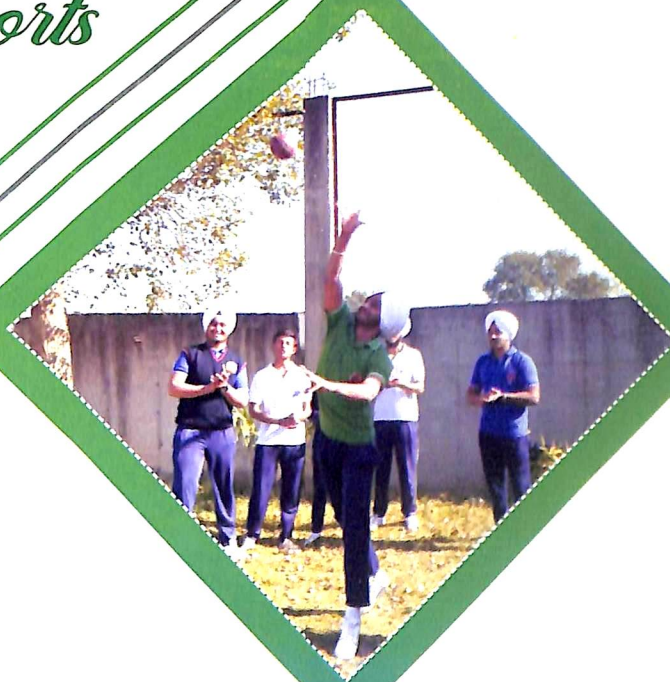

Our Target

- ◆ To develop aesthetic sense among students.
- ◆ Proper guidance for leadership.
- ◆ Sharing experience of group work.
- ◆ Be an organizer.
- ◆ To create tolerance, value, peace and love.
- ◆ National integration.
- ◆ Develop sense of self-respect and responsibilities.
- ◆ To create a good personality in the light of all round development.
- ◆ Discover and develop talents.

Impart appropriate moral and spiritual values.

Sports

Games are essential for the overall development of the students. The school has vast, well maintained grounds and facilities for both indoor and outdoor games. The school has trained and well qualified Physical Instructors. All students are required to take part in the games and sports. Every year Athletics, Football, Cricket, Volleyball, Table Tennis, Badminton, Kho-Kho, Snooker and Chess teams take part in C.B.S.E. clusters and also in P.S.E.B. games and show their competence in various fields.

Our Pillars

Transport

**FASTER IS FATAL &
SLOWER IS SAFE....**

A School's responsibility does not end with the school hours, even outside the premises of the school, the responsibility of the students continues to be a factor. Keeping in mind the safety, comfort & convenience of the students, the school has put in place an extensive transport system operated by GPS system and C.C.T.V. Surveillance. Pickup and drop facilities are made available to the students, covering the maximum number of routes possible. A fleet of buses is provided to make the journey of students comfortable and hassle-free experience.

- The School provides best transport facilities in all the directions. The school transport system is responsibly managed by Om Sai Transport Co.(Regd.).
- It follows "safe vahan scheme" rules and regulations set-up by the Punjab Govt.
- All the buses have perfect seating and provide first aid facilities.
- Gents and Ladies attendants take special care of the kids in the buses.
- Hydraulic doors are provided to ensure the safety of the children
- All the buses are operated by experienced drivers.
